

Message from the Mayor

February 2018

Greetings from Bartonville!

I hope everyone has stayed warm and healthy with this latest cold snap. Recovering from the flu myself reminds me that we are in the middle of our flu epidemic. Please be mindful and careful of those around you to try to minimize this nasty bug. This is the month of “love and romance”, but let’s resolve to only share chocolates this month.

The Fiscal Year 2016-17 audit was presented to the Town Council at our January meeting. I am pleased to report that there were no issues found by the auditor. We are pleased with this result and the affirmation of our continued fiscal responsibility.

We are always interested in feedback from our residents. It has been several years since our last town survey, and we are excited to announce a new survey coming out this Spring.

Save the Date! Our Annual Spring Clean Up will be held on Saturday, April 21st from 8 am – 12:00 p.m. This free event allows residents of Bartonville to safely dispose of household hazardous waste, bulk items, and electronics. Paper shredding will also be available that day.

As a friendly reminder, the Town Council meets every month on the third Tuesday at 7 p.m. I invite you to the next meeting to see what is happening in our community. Happy Valentine’s and stay warm!

Bill Scherer, Mayor
