

Message from the Mayor

January 2020

Greetings from Bartonville,

Last call for the May General Election - the dates for filing for Place 2, Place 4, and Mayor ends on February 14, 2020 at 5pm. Candidate application packets for qualified citizens are available at Town Hall or can be downloaded from the Town's website. The next General Election for Town Council is May 4, 2020.

The Town has concluded its investigation and will proceed to finish the remainder of the work in the 2019 Residential Street project. Cardinal, Hunter, Glenview, and Dove Creek will all be completed in the next few months. Be sure to check the Town website, www.townofbartonville.com, for the latest updates on the construction schedule. Thank you in advance for your patience while these projects are completed.

CoServ has begun the process of upgrading existing three-phase electric overhead lines on East Jeter from McMakin to Porter. This will include replacing existing power poles and new overhead conductors. Additionally, they have been trimming tree limbs along existing power lines in Bartonville as they do every three years. Please use caution when their vehicles are operating within the roadways.

With the severe weather we saw in January, a reminder to sign-up for the free e-mail/cell phone text message Emergency Notification system provided by Denton County Emergency Services District #1 at www.argylefire.com. These alerts will let you know the instant a severe weather Watch or Warning is issued by the National Weather Service for Bartonville.

A few other items of note:

- The annual Spring Clean-Up will be held on Saturday, March 28th from 8am to 11am at Lantana Community Church
- Town Hall will be closed Monday, February 17th in observation of President's Day.
- If you are planning to burn brush on your property. Please ensure it is property registered with the Denton County Fire Marshall. To register your burn and ensure it is a Burn Day, please visit

Bill Scherer, Mayor
