

Message from the Mayor

October 2019

Greetings from Bartonville!

Fall is finally here! Be watchful of people starting to venture out and upcoming Fall Festivals!

Thank you to everyone who Flag Site Memorial Dedication Ceremony for Captain Mark Weber. A special thanks to Representative Tan Parker, Denton County Judge Andy Eads, County Commissioner Dianne Edmondson, and Erik With from Congressman Burgess' Office for their support. Captain Weber, United States Air Force, died last year while serving in Iraq as a Combat Rescue Officer. He is a true American hero who epitomized duty, honor, and country. The Flag Site Memorial is located on the south side of FM 407, just east of the light at Lantana Trail on the Weber family property in Bartonville. Each time you pass the Gold Star flag, I encourage you to remember the sacrifice that Captain Weber and this family have made for your freedom. We can all strive to be more like Captain Weber and put community and others first.

At the September Town Council meeting, the Fiscal Year 2019-20 budget was approved. The approved budget includes an additional Bartonville police while maintaining our current property tax rate of \$0.192940 per \$100 valuation.

Have you seen the Community Guide? It was mailed to all Bartonville citizens. This excellent resource provides a plethora of information regarding all of the great services that are available to our citizens. If you have not received your copy, please contact town hall.
