

QUESTIONNAIRE – LACEY OAK TRANSMISSION LINE AND SUBSTATION PROJECT

This questionnaire will help Brazos Electric understand public interests and concerns about the proposed project. The information provided by you and other interested citizens is important and aids the project team in the route selection process. Thank you for your time and interest in the project.

Please provide the following information (please print clearly):

Name: _____ Date: _____

Address: _____

Phone: _____ Email: _____

Did you attend the open house meeting?

Yes No

Were the exhibits and information provided at the meeting and/or the project website helpful?

Yes No

In your opinion, has the need for the project been adequately explained?

Yes No

If *No*, how could we have improved this effort?

Several factors are considered when routing a transmission line, including (but not limited to):

- Residences, businesses, schools, churches, hospitals, nursing homes, cemeteries, parks, and/or recreational areas;
- Radio transmitters, microwave relay stations and similar electronic installations;
- Airports, runways, airstrips, and heliports;
- Agricultural areas irrigated by traveling irrigation systems;
- Historical and archeological sites; and
- Environmentally sensitive areas and endangered species.

Are you aware of any features not depicted correctly or not shown on the maps?

Yes No Don't Know

If *Yes*, please help us identify the location of any missing or incorrectly located features. You may provide a detailed description or address for the location of features, or mark their location on a map and submit it with this questionnaire.
