

This is the time to re-contact the seven members of the Urban Affairs committee who held the hearing on Tuesday for HB1427. That bill is now pending in the committee. Please write or call each of these seven people as soon as possible. In order for this bill to become law, it must be voted on in the committee and if it passes it goes to the full House for a vote. The alternative is it dies pending as it is now.

Please thank each of these committee members and respectively ask them to bring the bill to vote in committee and pass it to the full House.

Here are the members to contact and thank you for everyone's help:
